

Justin L. Sewell, MD, MPH
Assistant Clinical Professor of Medicine

Academic Office and Clinic:
Division of Gastroenterology
San Francisco General Hospital
1001 Potrero Avenue, NH 3D3
San Francisco, CA 94110

Campus Box 0862
Phone: 415-206-8823
Fax: 415-641-0745
Email: justin.sewell@ucsf.edu

Research Interests

- Healthcare delivery for patients with inflammatory bowel disease in the safety net healthcare system
- The effects of race/ethnicity and socioeconomic status on the course and outcomes of inflammatory bowel disease
- Developing and testing innovations to increase quality of gastroenterological care and to improve coordination between primary and specialty care

Techniques in Use

- Cohort development
- Implementation science

Education & Training

1995-99	University of Arizona	BS	Molecular & Cellular Biology
1999-2001	University of Arizona	MPH	Public Health
2001-05	University of Arizona	MD	Medicine
2005-08	University of California, San Francisco	Residency	Internal Medicine
2008-11	University of California, San Francisco	Fellowship	Gastroenterology

Licensure & Certification

2006	Medical licensure, California (A98102)
2008	Board certification, American Board of Internal Medicine
2011	Board eligible, American Board of Gastroenterology

Memberships & Affiliations

2006	American College of Gastroenterology
2008	American Gastroenterological Association
2008	Crohn's and Colitis Foundation of America
2009	UCSF Center for Innovation in Access and Quality (CIAQ)
